IN-PERSON VACATION BIBLE SCHOOL

July 19th-22nd, 2021

6:00pm-8:00pm

3 Year Olds - 5th Grade

Each evening children will enjoy music, bible stories, crafts, and games as they experience “Island VBS!” At this point in our planning, we will still be following some social distancing protocols. Children will be in small groups (fewer than 10 kids per group) and will stay in the same group (with the same children) throughout the entire week. Hand sanitizer will be readily available and currently masks are required. As we are not yet serving food, we are not planning to have a kick-off potluck at this point but we will be hosting a short program for parents on the last night so the children can showcase what they have learned and done. We are not planning an ice cream social, but we will have cold treat “to go” for everyone after the program!

****As the Covid-19 CDC recommendations change and our council makes decisions, these plans are subject to change.****

WHAT TO BRING TO VBS:

- Children should bring their own water bottle, as of now we are not utilizing water fountains due to COVID-19. Please label their water bottle as some may look the same.
- Children may bring their own bible/story bible if they wish.
- Children may bring and wear a mask if desired.
- Tennis shoes are recommended (we will be playing games and moving around a lot).

OFFERING:

We will be collecting School Supplies and monetary donations again this year for The Banquet’s Project: SOS that provides brand new backpacks and school supplies to over 6,000 children in need each year. We will have a donation box at the Church to place items in.

VIRTUAL VACATION BIBLE SCHOOL OPTION:

We understand some families may not be comfortable with in-person VBS at this time but would still like their child(ren) to participate in the fun. We are offering a virtual option again this year for these families. We will have a packet for you to pickup with crafts and information, and will be offering the option for your child to join us via Zoom (a free app) for part of the session each night if you would like. If you choose this option for your child(ren) we will contact you to arrange a packet pickup time that works for you and will send you the zoom link via email. The program will be livestreamed on Facebook as well for those not ready to join in person

Registration is required. Please return/mail the attached Registration Form (one for each child) to the Church Office (3300 E 18th St) or email to Lisa Jasmer (lisa.mathiasonjasmer@gmail.com) by JULY 1st, 2021. You may keep this information sheet for your reference.

We can't wait to see you at VBS!
